- Briefly reviewed process for reviewing applications. Group agreed that applications
 ranking less than 50 points (out of 100) would not be discussed in great detail. Staff will
 summarize key points for each of the applications, should an agency request this detail
 later. Staff will bring Outcome data (if have available for agencies that we currently
 fund).
- Group discussed application ratings within Goal 1 category.
- Staff will follow-up with agencies whose applications need more clarification.
